

Videoland. Streaming out loud.

Videoland is the **one-stop-shop** for Dutch entertainment, with live TV, concerts and sport. In addition to the well-known classics, Videoland offers the largest selection of true crime, Glory kickboxing, Dutch drama and reality. Thanks to the weekly new content, users will never get bored. Videoland can be viewed on any device wherever and whenever users want, up to four screens simultaneously.

The first Dutch SVOD* platform offers video viewers a subscription with advertising. As a result, advertisers can now also benefit from this interesting platform.
